GETTING ACQUAINTED

Who are we?

Have we used Collaborate before?

What do you wish to learn today?

TODAY WE'LL TALK ABOUT...

- Why is UBC discontinuing Collaborate Ultra? When?
- Getting a Zoom Account
- How does Zoom compare?
- [Comparing](#) features and functionality
 - Privacy considerations
 - Canvas integration
- Reviewing the [LT Hub Transition Guide](#)
- Downloading Collaborate recordings
- Uploading to Kaltura

COLLABORATE AT UBC (2011-2021)

A moment of silence...

UBC Educational Technology Support

THE ROAD AHEAD

- Collaborate will be discontinued on April 30
- Access to recordings will end on July 31
- You can start downloading recordings anytime
- Starting in 2021S1, Zoom will be the main option
- MSFT Teams is another option, but not integrated

NEXT STEPS FOR YOU

- ✓ Request your account
- ✓ Set up your Canvas profile
- ✓ Replace Collaborate on your Canvas menu
- ✓ Schedule your sessions

REQUESTING A UBC ZOOM ACCOUNT

Email av.helpdesk@ubc.ca with your:

- UBC email address
- Faculty / School / Department

COMPARING FEATURES: NOTABLE DIFFERENCES

- Gallery View
- Max. Attendees
- Chat history
- Whiteboard
- Recordings
- Presentations
- Roles

COMPARING ROLES

COMPARING FEATURES: NOTABLE OVERLAPS

- ✓ Polling
- ✓ Breakout Groups
- ✓ Screen sharing
- ✓ "Reactions"
- ✓ Store recordings in Canvas
- ✓ Create & join sessions from Canvas

PRIVACY CONSIDERATIONS

- UBC Zoom accounts are hosted on Canadian servers, however, this is not the case with free Zoom accounts

IF a session is being recorded:

- Students can maintain their privacy by using an alias, turning off their microphone and camera
- Ensure session recordings are kept secure and confidential
- Notify students in advance if session recordings are expected to be reused or shared outside the designated course space
- Refrain from sharing personal information during recorded sessions
